

INFORMATION SHEET FOR PERFORMANCE OF WORK WITHIN HIGHWAY RIGHT-OF-WAY PERMIT

PLEASE NOTE: Work may not proceed until a Permit has been issued by the Transportation Maintenance Branch, Department of Highways and Public Works.

INSTRUCTIONS AND DESCRIPTION OF THE APPLICATION PROCESS:

1. Please provide the following required documents:
 - Signed and completed attached application form;
 - A map (scale 1:50,000) and/or detailed sketch indicating the location and extent of work;
 - \$100.00 Application Fee (Cheques to be made payable to Government of Yukon; major credit cards and debit cards are accepted in Whitehorse or by phone).

All the above items are mandatory - the application process cannot start without them.

In the communities - please provide the above required documents to the local Road Maintenance Foreman during normal working hours. A joint site visit may be required.

In Whitehorse - come into the office located at 9029 Quartz Road, Building 1275 upstairs and provide all the required documents listed above.

2. Insurance is a requirement for work in a highway right-of-way. A copy of Liability Insurance in the amount of \$2 Million, naming the Government of Yukon as "Additional Insured" on the Insurance Policy, must be provided to the Transportation Maintenance Branch prior approval for the work.
3. Please note that depending on the extent and complexity of the work the application process could take more than 4 weeks to be approved.
4. If the work requires screening through Yukon Environmental and Socio-economic Assessment Board (YESAB) or other associated Permits such as Land Use Permits, copies of those authorizations will be required prior to the permit being issued.
5. Once the permit has been approved, applicant will be notified to read and sign the permit, agreeing to the conditions. Copies of the permit are forwarded to the applicant and work may proceed. If the permit is denied, the applicant will be notified. The permit will contain an expiry date.
6. The applicant will be responsible to ensure that the conditions of the permit are adhered to during the work.
